

My question is this: When will you abandon your “all or nothing” approach? Because exactly what you criticize this side of the aisle for is exactly the type of behavior that my colleagues on the other side are engaging in as well. We have failed the American people if we let that lack of cooperation overtake this body and lead us off a cliff on Friday night.

The question to my colleagues on the other side of the aisle is: Who is willing to step forward with a proposal that gets us there as a body?

Mr. Speaker, I appreciate the time this evening. I look forward to ensuring that our Department of Homeland Security is fully funded come Friday night.

I yield back the balance of my time.
